

**University of Arizona Teach Ag Academy Advisor/Counselor Recommendation Form**

Thank you for considering the 2020 University of Arizona Teach Ag Academy! This two day experience is designed for students interested in agricultural education to learn more about becoming an agriculture teacher, engage in different activities, connect with students who have the same interests, and spend time on the University of Arizona campus.

Students will arrive at the University of Arizona Campus on Friday, September 25th by 5:00pm and stay until the conclusion of the Academy on September 27th at 2:00pm. Housing will be provided. If students are traveling from afar and are not able to arrive at UA by 5:00pm for the first day of the Academy, they are more than welcome to arrive the second day.

Students entering their senior or junior year are eligible for the program. There is no registration fee for the TeachAg Academy. The following nomination form (completed by agriculture teacher or guidance counselor) must be submitted by Saturday, August 1st, 2020 to elabut@email.arizon.edu.

Your nomination form does not need to be submitted at the same time as your student's application, provided it is submitted before the August 1st deadline. Please contact Erynn Labut at elabut@email.arizona.edu for further questions or concerns.
